PROFESSIONAL SUMMARY

Dynamic and detail-oriented Full-Stack and Quality Assurance Engineer with hands-on experience building scalable, responsive web applications. Proven track record in leveraging React, Next.js, and TypeScript alongside Tailwind CSS to deliver high-performance user interfaces, complemented by a strong background in brand strategy and market research. Adept at implementing rigorous QA protocols, optimizing frontend performance, and collaborating in Agile environments to bridge the gap between complex code and exceptional user experience.

TECHNICAL SKILLS

Frontend Development: React, Next.js, TypeScript, JavaScript (ES6+), Tailwind CSS, HTML5, CSS3

Testing & Quality Assurance: QA Methodologies, Functional Testing, UI/UX Validation, Cross-Browser Compatibility

Tools & Hosting: Bun, Git, GitHub, GitHub Pages, Linux Command Line, Vercel

Design & Architecture: Mobile-First Development, Responsive UI Layouts, Glassmorphism UI Components, REST API Integration

PROFESSIONAL EXPERIENCE

Quality Assurance Engineer / Full-Stack Developer

2025 – Present

Technical Projects & Professional Engagements

- Utilize React, Next.js, and TypeScript as a primary framework stack to engineer modern, minimalist web applications and personal portfolio sites.
- Implement highly responsive web layouts and interactive user interfaces using Tailwind CSS, incorporating advanced styling such as utility-based flexbox/grid structures and glassmorphic elements.
- Leverage Bun as a fast JavaScript runtime and package manager for project initialization, dependency management, and script execution optimization.
- Apply rigorous functional testing and UI/UX validation to ensure cross-browser compatibility and seamless responsive behaviors across diverse mobile and tablet viewports.
- Manage project version control using Git and GitHub, establishing robust workflows and deploying live static frontends via GitHub Pages.

Brand Consultant & Strategist

2022 – 2024

Freelance & Remote Consulting

- Partnered with startups and established brands to design comprehensive brand strategies, execute market research, and consult on strategic web layouts.
- Translated business objectives into modern web design concepts, ensuring alignment between core brand identity and functional user experiences.

KEY TECHNICAL PROJECTS

- **Personal Portfolio Website:** Built a highly performant, modern portfolio using Next.js, TypeScript, and Tailwind CSS to display core live project URLs and technical summaries.

- **Luxury Branding Landing Page ("Bloom & Blossom"):** Developed a responsive, full-page frontend utilizing utility-based Tailwind frameworks tailored to upscale product presentation.
- **Interactive Automotive Showcase Layout:** Crafted a responsive interface integrating glassmorphic card elements and custom background image integration.
- **Task Management Application:** Engineered a robust To-Do List application in React to master advanced state management, search capabilities, and precise list filtering.

EDUCATION

Bachelor of Arts in Communications

2018 – 2022

University of Ibadan, Ibadan, Oyo State, Nigeria

CERTIFICATIONS

- Certified Digital Marketing Professional (CDMP)
- Google Analytics Certified
